

# No Box For Me

You look at me like I'm an alien from outer space  
But you don't even know me, you're not living in  
my place  
While you're jumping to conclusions; I see the irony  
How you think that passing judgment makes you  
holier than me

They don't make one that fits me comfortably  
I'll just stay who I am  
I am  
Oooo ooooo I am

No box for me  
I'll keep on doing just as I please  
They don't make one that fits me comfortably  
I'll just stay who I am

Don't tell me what I'm thinking you don't live inside  
my head  
I'm not feeling any conflict when I put myself to  
bed  
If you're multiplying two and two and coming up  
with three  
Don't tell me that it's my problem. Don't tell me what I  
can be

I'll keep on doing just as I please

They don't make one that fits me comfortably  
I'll just stay who I am  
I am

I'll take my square peg and put it in a star  
I'll drink my orange juice and eat it with a snickers bar  
I don't see what it has to do with you

No box for me  
I'll keep on doing just as I please  
They don't make one that fits me comfortably  
I'll just stay who I am  
I am

Don't tell me that I cannot love the people that I do  
Or think that I'll discard them 'cause they don't appeal  
to you  
They don't fit one category and they're living happily  
They don't fit in little boxes; they're the perfect friends for  
me

No box for me  
I'll keep on doing just as I please
